BROCHURE NEET

(2025-27)

About NBT...

- NBT took birth when Dr. Sagar Gudhka decided to coach all students in a very unique and conceptual manner.
- Dr. Sagar Gudhka, a Gold medalist, a practicing Medical Doctor and a Personal counselor has been teaching Biology since 2005.
- NEET is altogether a different study experience for students who have passed their Xth grade.
- NEET is highly competitive exam involving about 25 lacs of students pan India.
- NEET curriculum demands in depth knowledge and MCQs (Multiple Choice Questions) solving skills of about 80 chapters of Phy, Chem and Biology, in a narrow time period of just 23 months.
- Students enrolled in NBT get to learn the complex concepts in the most simplified manner from the legends of their subjects.
- The skills and techniques to crack tricky MCQS are inculcated here by providing exhaustive MCQ practice followed by MCQ discussion.
- Our hard work and dedication is also reflected in the incredible results of all those coaching classes, where we have earlier worked wholeheartedly.
- NBT assures to provide every student the best learning experience with our unique and well experimented tools.

Founder

Dr. Sagar Gudhka

- Passed out as a Gold medalist with subject distinction in 2003.
- Rank Holder in all his years of Medical Education.
- Honoured with 5 scholarships.
- Ex-Housemen in Mumbadevi Hospital and Ex-Lecturer in CMP Medical College.
- Diploma in Personal Counselling From St. Xavier's Institute.
- Conducting Seminars on "Successful Parenting".
- Pure Homeopathic clinical practice at Ghatkopar.
- 20 years of teaching experience in Biology.
- Coaching XI, XII and NEET since 2013.
- A Brilliant and conceptual Biology teacher well known for his simplified explanations and diagrams, compels students to love Biology by sharing his clinical experience and by giving excellent examples from his daily anecdotes.

LECTURE SCHEDULE :

- Lectures: Thrice a week
- Lecture duration: 2 hours
- Extra lecture may be conducted on Biology days

STUDY MATERIAL & TEST DETAILS :

- Lectures will be conducted by Dr. Sagar Gudhka and his professional biology assistant teachers
- NCERT line by line will be explained
- Topic wise MCQ bank (NBT Internals) will be provided for practice
- Students will solve extra MCQs from other three books that we recommend
- Doubts from NBT Internals and other three MCQ books will be discussed
- NBT is very well known for conducting VIVAS, as it boosts the confidence of the students
- MCQ tests will be conducted every Sunday (based on similar patterns of NEET)
- MCQ tests will be based on topic wise/ chapter wise/ unit wise/ volume wise and full syllabus portion
- Theory tests will be conducted based on board pattern before the Boards

COURSE DETAILS :

- Regular Lectures will commence from June 2025
- From June 2025 to Feb 2026 – 11th Standard portion with MCQ preparation for NEET
- From March 2026 to December 2026 – 12th Standard portion with MCQ preparation for NEET
- Jan and Feb 2027 – Extensive doubt solving lectures, MCQs tests and HSc Board Pattern Prelims
- March and April 2027 – Extensive combination tests

SALIENT FEATURES :

- Lecture timings are in accordance with the college timings
- Any one parent will be added in the WhatsApp group along with the student to get all notifications
- Regular notifications will be updated on WhatsApp with regards to the Sunday Test Marks and Lecture/ Test Attendance
- Parents with the student should meet the teacher once in three months to evaluate the students' performance and to get the remedial measures
- Periodic report cards will be posted on the WhatsApp group
- Students can use the classroom as Library in non-teaching hours under the supervision of the admin.
- Students have an access to Library for all Biology books

TESTIMONIAL : 2024

I would like to credit my Biology teacher Dr. Sagar Gudhka and NBT classes for my Biology and overall success in NEET 2024. Sagar Sir has the most prepared and meticulous method of teaching Biology in class. His interactive and engaging way to teaching instilled biology in me. Every lecture is well planned and productive. Sagar Sir's method of taking in class tests, MCQ solving sessions, vivas guaranteed my Biology success. Sir's punctuality about conducting his lectures and discipline helped me in a big way in my own method of daily study. NBT's culture of exhaustive NEET oriented MCQ solving, properly scheduled Sunday Tests and meticulously made Biology papers are a level above others and made me completely exam ready. His and the NBT team's efforts in personally helping each student in academic & emotional aspects was a boon for me. I am very thankful to Sagar Sir for being the best Biology teacher and helping me secure my future. I absolutely recommend Dr. Sagar Gudhka's NBT to all medical aspirants who look to excel in the NEET entrance and in the future.

MIHIR NABAR
NEET 2024 : **705/720**
BIOLOGY : **355/360**

Teaching students to count is fine, but teaching them what counts is best. This quote precisely tells us about our beloved Dr. Sagar Sir. Without his teachings and guidance I would not have been able to score 360/360 in biology in NEET 2024. His way of teaching concepts was absolutely fantastic. The most important trait of Sagar Sir was his discipline and the punctuality to do things when they are meant to be done. In my two years as his student, I have never seen him come late for any of his lectures. Moreover, his boardworks and diagrams are a pleasure to watch and understand even now. Sagar Sir always believed in well organised and well planned lectures. He conducts several MCQ solving sessions for the revision of students and he also provides a well planned Sunday test & combo test-series whose papers are of good level which really test the understanding of students. The discipline, focus and clarity of the concepts that he enlightens upon his students is very much necessary to clear NEET in first attempt. I am very grateful to Dr. Sagar Sir and I recommend him to all the medical aspirants.

Zaki Momin
NEET 2024 score - 671/720
Biology score - 360/360

ZAKI MOMIN
NEET 2024 : **671/720**
BIOLOGY : **360/360**

It was my immense luck to be a student of Dr. Sagar Gudhka Sir.

Sagar Sir possesses a very unique ability to break down the complex concepts into simple and understandable knowledge. The way that Sagar Sir builds the concepts through his flow charts and diagrams was absolute fantastic.

What set Sagar Sir apart is how well organised and punctual the Sir is, towards his teaching. I admire Sagar Sir's amazing ability to end the session perfectly on schedule. Because of this, it gives us enough time to tackle other subjects as well. The tips and tricks for revising previous chapters and also the live class MCQ's solvings done by Sagar Sir was also very helpful.

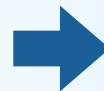

I am very grateful for the opportunity to learn from him and I highly recommend Dr. Sagar Gudhka Sir to all medical aspirants.

ANSARI MOHD. AARAF
NEET 2024 : **687/720**
BIOLOGY : **351/360**

I had the pleasure of attending Dr. Sagar Gudhka's coaching at NBT, and my experience has been nothing short of exceptional.

The lectures were always punctual, starting on time without fail, which shows the professionalism and respect for students' time. Also, they were incredibly well-organized and thoroughly planned, ensuring that every topic is covered comprehensively.

A very important thing that helped me was the exhaustive MCQ solving, which provided an in-depth understanding of concepts and is much needed in competitive exams like NEET. The well-structured Sunday & combo tests were highly beneficial, reinforcing learning and helped me in keeping track of my progress regularly.

Moreover, Sagar Sir being a doctor himself gives him an upper hand when compared to other Biology professors. His expertise & dedication to his student's success is evident throughout the course. The teaching methods, combined with nice & precise boardwork helped me a lot to revise the concepts.

Also, the NCERT line by line reading done in class helped me understand each & every NCERT line, which was very helpful as BIO questions in NEET are usually from NCERT lines.

So, I would highly recommend Dr. Sagar Gudhka's NBT to all NEET aspirants who are serious about achieving their goals.

TESTIMONIAL : 2024

Dr. Sagar Gudhka,

I, Anam Shaikh was very fortunate to be guided by Sagar Sir during my NEET biology preparation. His coaching greatly improved my understanding of the subject and made complex topics simpler and easy to grasp. Sagar Sir is very punctual, always starting lecture on time which ensures that every session is utilized fully. His lectures are well organized and systematic. One of the key aspect of his teaching was that he explained every line of NCERT during lectures ensuring that we thoroughly understood the text. We would often go through entire NCERT lines which was incredibly helpful.

Sagar Sir's clear and methodical teaching style makes it easy for us to grasp even most difficult topics. His approach ensures that no topic is left unclear. MCQ sessions were intense and covered questions from multiple books. He always ensures that all our doubts from various reference book were cleared. Because of this method it helped me to prepare effectively for different type of problems we might encounter in exam.

I believe Sagar Sir's coaching is a great choice for anyone aiming to excel in Biology and succeed in entrance exam.

NEET 2024 : **662/720**
BIOLOGY : **346/360**

I really feel fortunate to have had Dr. Sagar Gudhka as my biology teacher. From the very first class, it was clear that he's an expert in his field. He has structured way of teaching, and every concept is broken down so well that even difficult topics felt easy to understand. What I appreciate the most is how he integrates a lot of MCQ-solving during his lectures. This sessions has really helped me in my NEET exam.

Dr. Sagar Gudhka punctuality is something that stands out. He always starts his lecture on time and keeps the class disciplined and focused, making sure that no time is wasted. One of the highlights of his teaching is the well organized combo test and Sunday tests. These tests are designed to be exhaustive, covering all the essential topics in a systematic manner. The combo tests challenge our knowledge across multiple chapters, while the Sunday test ensure consistent practice and help us track our progress weekly. These regular assessments are extremely thorough, stimulating exam conditions and readiness for NEET. His way of managing biology papers is extremely detailed. Along with that, his tips and strategies for approaching NEET papers are incredibly helpful. He doesn't teach the subject but also prepares us mentally to handle the exam pressure with confidence.

Thanks to Dr. Sagar Gudhka, his constant guidance and encouragement have kept me motivated throughout my preparations. I wholeheartedly recommend Dr. Sagar Gudhka to all medical aspirants who are looking for a knowledgeable and supportive teacher.

Dr. Sagar Gudhka's NBT.

"Teaching kids to count is fine, but teaching them what counts is exceptional."

The same is true for Dr. Sagar Gudhka's NBT. He is extremely passionate about his subject & his unique way of teaching brought life to the class. The lectures were always held punctually & well planned before hand. It helped to make my concepts clear and be confident in that subject. Combined with the consistent test schedule, daily vivas & rigorous MCQ solving my subject base was strengthened. Along with this, NBT also taught me to manage my time properly so that I could do proper justice to all the subjects. NBT & its entire team was always available to provide a listening ear and boost my morale up.

This journey would not have been possible without them. Their guidance & support has been invaluable and will continue to motivate me throughout my MBBS.

I recommend Dr. Sagar Gudhka's NBT to all medical aspirants.

To Sagar Sir,

I am writing this testimonial to express my gratitude towards NBT. Since biology comprises 50% of one's NEET score, a good teacher and experienced guidance is necessary and that is exactly what NBT provided. Dr. Sagar Gudhka is highly qualified and sir was extremely passionate in helping students achieve their NEET goals. NBT provides personalized guidance and support, helping us to overcome challenges and stay motivated throughout the preparation. The experienced faculty, comprehensive study materials and effective teaching methodologies were the primary reason for my good Biology score. Regular tests and exhaustive MCQ solving sessions, with doubt solving, were conducted. This helped us to check our preparation. The lectures were well planned and punctuality & discipline was maintained throughout. Priyanka ma'am's management and Sneha ma'am's supervision is highly appreciated.

Words are incomplete to express my thanks to Sagar Sir. Dr. Sagar Gudhka is a renowned expert in NEET preparation with years of experience in teaching and mentoring medical aspirants. He is known for his engaging and interactive teaching style which makes complex concepts easy to understand. Sir was always committed to help us achieve our full potential and takes a personal interest in our success. I recommend Dr. Sagar Gudhka's NBT to all medical aspirants.

ANUSHKA R. PATIL
NEET 2024 : **630/720**
BIOLOGY : **345/360**

TESTIMONIAL : 2024

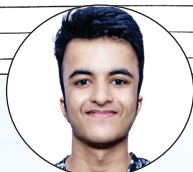

It was after my 10th board exams, that I strongly acknowledged my growing passion for biology, and I narrowed down my choices to the NEET-UG exam. That was when I joined Dr. Sagar Gudhka's Nucleus Biology Tutorials.

Over the course of the past two years, I've observed that not only has my love for biology increased exponentially, but also my study ethic and regularity in putting in the hard yards, has gone up several folds, and I owe a lot of it to NBT. Sagar sir explains biology with a very profound concept oriented approach. I still remember very well how nicely he taught me human physiology, cell physiology, ecology etc. all of which had become tougher and advanced compared to the school level, but with sir's help, I eventually found it easy to manage the syllabus. Moreover, I got to solve nearly 30 to 40 thousand MCQs which not only took the pressure of the exam format off me, but it also allowed me to verify if my fundamentals, my approach and my studies were on point. His emotional support towards the rear end of the exam preparation, was truly invaluable and stopped me from panicking, to maximize my academic performance.

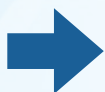

The support staff of team NBT also ensures regular test analysis and rankings, to create a healthy and inspiring competitive environment and I'm greatly thankful for their incessant efforts too.

As an alumnus of NBT, I can guarantee all NEET aspirants who plan to attempt the exam, that learning biology at Dr. Sagar Gudhka's NBT is the best decision you can make, in the leadup to a bright future.

To
Dr. Sagar Sir,

I, Zufa Ansari from GST classes Bhiwandi studied Biology from Sagar Sir have achieved flying colors in it. One of the best things of his is he is well-planned and organized in terms of completing the syllabus and MCQs solving from 3-4 books. One of the great things he provides us the test series through which I learned a lot from my mistakes and hence, improved my score. I always got inspired when he used to tell us about his patients, their treatment, etc. Despite of being a good mentor, he is also a good doctor.

I recommend Dr. Sagar Gudhka Sir to all medical aspirants so that you also avail the maximum and make your future bright.

My experience with Dr. Sagar Gudhka's NBT coaching has been incredibly enriching. Dr. Gudhka's expertise and passion for biology transformed my understanding of the subject. Each lecture has well-organised and thoughtfully planned, ensuring that I could follow along easily. I can't say enough good things about my experience with Dr. Sagar Gudhka's NBT's coaching! From day one, Dr. Gudhka made biology accessible and fun. His passion for the subject really shines through, making all difference in my learning journey. Lectures always started right on time, and each session was organised perfectly, allowing me to follow along and absorb the material with ease. We tackled tons of multiple-choice with questions that helped boost my confidence for the exams, and the summary and combo tests were incredibly helpful for tracking my progress. Dr. Gudhka was always there to clear doubts, creating a supportive environment that made me feel at ease. I genuinely recommend Dr. Sagar Gudhka's NBT to all medical aspirants.
